

Bendigo Branch
Victorian Apiarists' Association Inc.

**BBVAA NOTICE
CANCELLATION OF OCTOBER 10TH 2021
ANNUAL BEEKEEPING FIELD DAY
AT HARCOURT.**

After a lengthy discussion at our recent meeting, considering the pros and cons of continuing with this year's Annual Beekeeping Field day, together with an awareness of our responsibility for the duty of care to every-one, the following motion was passed.

"As we believe, that as a responsible Branch of the Victorian Apiarist's Association, Bendigo Branch must carefully consider the health and safety of our members, volunteers, attendees, traders and the general public when holding events during the current pandemic. As such, given the rapid, unpredictable spread of the Delta virus, together with the financial risk BBVAA takes if there is a sudden lockdown, I most reluctantly move that Bendigo Branch V.A.A. cancels its 2021 October Field Day."

We regret this decision, which was not taken lightly.

We can only hope that we may be able to conduct our Annual Field Day in 2022, on Sunday 9th October. (Please save the date)

N.B.

Please note that BBVAA has decided to continue selling the queen bees ordered in preparation for the field day.

To avoid disappointment please order a.s.a.p.

**For further information please contact Max—03 5446 7911
or Email: maunderjmcv@bigpond.com**

**Pre-ordered, pre-paid bees may be collected from Max
at Myers Flat - a suburb of Bendigo.**

**You will be notified as soon as we receive the bees,
so they may be collected in a timely manner.**
